SUBANG JAYA

XCL⁺
Holiday Activities
18th - 29th JULY 2022

SRI KDU
International
School
SUBANG JAYA

Introducing **XCL Plus**

XCL PLUS HOLIDAY ACTIVITIES presents students with a collection of exciting and engaging programmes to continue their journey of learning and discovery, and to level-up their holidays.

The mission of XCL PLUS is to enhance our students' self-discovery process, offer avenues to develop their potential, and provide opportunities for them to forge strong social connections. We aim to accomplish this not just with great learning experiences, but also with personalised, 1-on-1 support from our teachers and camp staff.

Our activities are delivered in partnership with best-in-class instructor partners that have been carefully vetted, and proven through experience working with them over time. This is done to ensure that our students have access to the most fun, engaging, and innovative camps in Kuala Lumpur.

Featured Activities

1. The Athlete
2. The Swimmer
3. The Scholar
4. The Musician
5. The Techie
6. The Mathematician

XCL⁺
Holiday Activities
18th - 29th JULY 2022

The Athlete

An exciting opportunity to develop Football and Basketball skills with specialist coaches.

Introduction

The morning will involve football skills before a break and snack in the canteen (provided) followed by Football games. At 12pm students will have a lunch (provided) in the canteen before starting Basketball skills and games from 1pm.

Football – Little League Soccer

Whether you're playing for fun or looking to carve out a career in football, our building blocks from 6 to 16 years old offer the perfect platform for progression.

From the first touch of the ball to the first kick of a cup final, Little League Soccer has a programme designed to meet your needs and guaranteed to provide fun through football.

Basketball – KL Lightning

The Basketball programme will be led by expert coaches and will be tailored to the needs of the children in the class, from beginners to experts! Sessions will run in the air conditioned Multi-Purpose Hall at SRI KDU International School Subang Jaya and will involve learning skills, rules and gameplay through an exciting timetable of sessions.

The Swimmer

Swim School is open for all children from complete beginners to those who want to advance their swimming skills.

Introduction

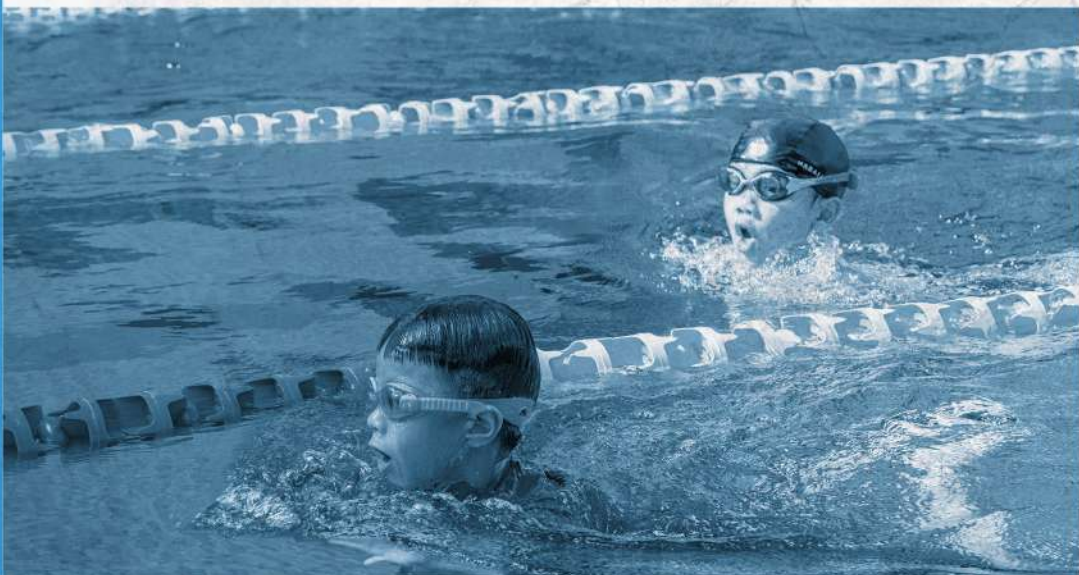

Children do not need to know how to swim as lessons will be differentiated according to ability. The activities will be running from Monday–Thursday and will work on different swimming skills and strokes throughout the week. The camps are led by expert coaches who have a vast range of experience working with children of all abilities!

Swim School – SwiMax Malaysia

SwiMax have been working with SRI KDU International School Subang Jaya to provide high quality coaches for lessons, competitive swimming and CCAs. The coaches are vetted and have many years of experience supporting children of all ages and abilities.

Equipment required

There are swim floats, pool noodles and boards available for use so children do not need to bring floats to school. Children must be able to change independently and will need to bring their swim kit to school including a swim cap, goggles, swim costume and towel.

The Scholar

By joining the STEAM camp students will embark on various STEM projects that incorporate elements of ART.

Introduction

STEAM camp students will embark on various STEM (Science/Tech/Engineering/Math) projects that incorporate elements of ART (thus STE "A" M) such as scribbling, painting and decorating.

STEAM Camp – SAS Studio

Ready-to-assemble projects such as complex hydraulic powered Robotic Grabber, solar powered car, Gear systems, ScribbleBOT, desk lamp and fully-functional catapult systems are just some of the many interesting subjects found throughout the 4-day camp. Students will also learn via fun-filled presentations relating to their projects. This 4-day camp encompasses 7 projects.

The Musician

A fun four-day musical experience offering children a place to try out many different kinds of musical instruments.

Introduction

Participants will learn to play a few songs on several different instruments, including ukulele, piano/keyboard, xylophones, conga, djembe and more while also understanding the basics of music theory, and how the instruments work. Fundamental techniques of playing these instruments and key tips on stage etiquette will also be covered. Kids will also get the opportunity to explore other instruments such as the harp, violin and even the electric drums! At the end of the camp, all participants will have an opportunity to perform as a soloist or in an ensemble setting.

Music Discovery

- Explore many different types of music instruments
- Learn to play 3 music instruments
- Learn about music theory
- Opportunity to perform as a soloist and/or part of an ensemble

The Techie

Code apps and websites , develop exciting project and create fun games.

Introduction

iTrain Education Group established since 2005 in Singapore. 17 years of digital skills education for Kids to Teenagers, Youth to Graduates and Professionals to Entrepreneurs.

Minecraft Education

Minecraft: Education Edition has features built specifically for learning environments to support collaboration, assessment, coding, and more. It does not involved any robot components as in this lesson we will code the character to complete coding mission such as block programming and Python 101. It is a pre-built Lessons and students can even write and submit their own Minecraft lessons!

Web Development

This course chapters provides an overview of the profession before we leap into building sites. It begins with an introduction to the roles and responsibilities associated with creating websites, to help the students to find new skills and interests. It also covers the equipment and software students will use. No experience required.

Booking Information

All bookings can be made via the attached Microsoft form, which must be completed with all relevant information included. If you are having trouble with this form or having any general enquiries, please contact the XCL + Team at support.subang@srikdu.edu.my or via the contact number on the front page.

If you have any questions about the specific camp activities, please contact the relevant camp providers on the contact details provided or visit their company websites.

Lunch & Snacks

All of the bookings include a lunch and a light snack, provided in the school canteen. Students will be allocated a 15 minute break in mornings and afternoons and will have 45 minutes – 1 hour for lunch.

The meals provided are included in the cost of the XCL+ programme and will be prepared by the school canteen staff. The menu will change regularly and will be based on ensuring students are offered healthy food to prepare them for the activities or school day ahead. The canteen will aim to cater for the needs of all students and we ask that parents inform the school of any specific dietary requirements.

A sample menu of what could be included can be found below:

XCL+ Morning and afternoon snacks

Students will have a snack in the middle of the morning and again in the afternoon, but are advised to have breakfast before they arrive to their activities.

Snacks may include:

- Fruit
- Toast
- Vegetable tart
- Cereal bars
- Fruit Juice or iced water

2 snacks are included in the full day programmes and 1 is included for just morning or afternoon bookings.

XCL+ Lunches

All sessions include a lunch which will be served in the school canteen and will offer a variety of healthy and wholesome meals, to cater for different dietary requirements.

Lunches could include:

- Rice or noodles
- Western food option
- Vegetarian option
- Salad selection

If your son or daughter has any special dietary requirements, please state this clearly in the sign-up form.

Pick up & Drop off

Students should be dropped off for the XCL + Holiday Activities no earlier than 15 minutes before their start time at the Main Reception. Staff will greet parents and students at the Main Reception and will register them before taking them to their Camps. Collection from XCL + Holiday Activities will be from the Main Reception within 15 minutes of the camps scheduled finish time. Please can parents ensure that they are not late to collect children from XCL + Holiday Activities as the school may be closing at this time.

Payment Method

Please be informed that you will be charged as per the published fee. For GEMS/Sri KDU students, the Finance Team will contact you directly to request the payment details. For Non-GEMS/Sri KDU Students, please find the payment method below. Please make the payment once your registration has been confirmed by the XCL + Team.

Registration Form
