The players from both Sri KDU Subang Jaya and King Henry exhibited impressive skills and determination. These friendly matches not only promoted the spirit of sportsmanship but also provided valuable experience for these young talents.

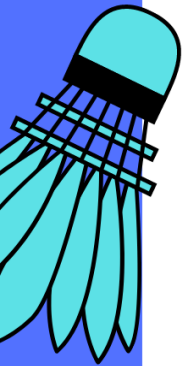

SECONDARY AIMS SWIM SERIES @ BSKL
3 OCTOBER 2023

SECONDARY AIMS SWIM SERIES @ BSKL
3 OCTOBER 2023

MATCH REPORT

On Tuesday, our Secondary Swim Squad competed in their first event this year. Students took part in the AIMS Swim Series Round 1 against BSKL. The AIMS Swim series is an event where schools around KL pair up with another school and students are timed in various swimming events. The top swimmers per event (from all competing schools) are then invited to a final round where the top swimmers will compete against each other for medals and trophies.

Our swimmers have been training extremely hard in the mornings and afternoons and displayed excellent swimming in their various events. Many students obtained PB's (Personal Bests) in their events and we congratulate all students on their efforts.

We look forward to many more swimming events in the near future.

Well done Sri KDU Stingrays and thank you to Coach Khoo and Coach Salsa for all their hard work.
