

**U15 BOYS & GIRLS AIMS BADMINTON TOURNAMENT @ 222 SPORTS
CENTRE PJ
10 MAY 2024**

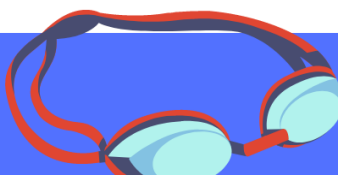

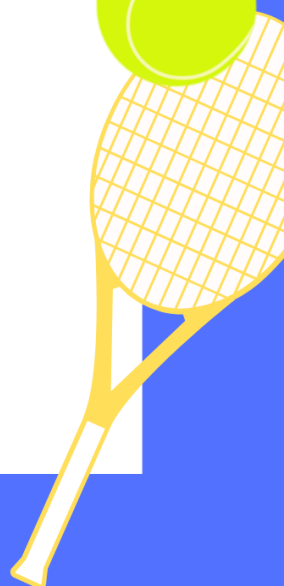

MATCH REPORT WRITTEN BY: MELANIE 9B

On 10 March 2024, the U15 Boys and Girls Badminton teams competed in the AIMS Badminton Tournament which took place at the 222 Sports Centre, PJ. Our opponents consisted of Charterhouse, AISM, Tenby SEH, Sunway International School, MKIS, Sri KDU KD, and ELC.

Although the conditions of the place weren't too ideal, all of us persevered and played 8 matches each. All of the schools were really talented, and I'm glad to have been able to play against them. In the end, our school won a total of 2 medals, and although it wasn't too many, we all came close and did our very best.

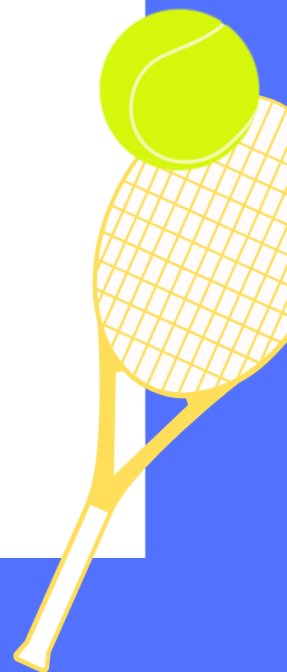

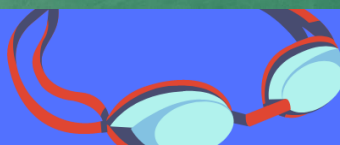

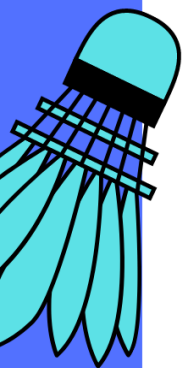

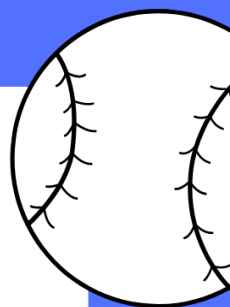

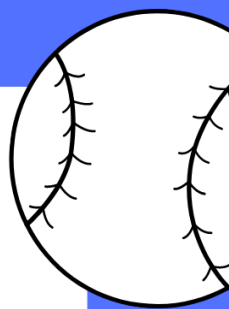

In the end, our school won a total of 2 medals, and although it wasn't too many, we all came close and did our very best. I also think that this has been the best tournament I've played in so far, thanks to the experience I had there, and I'm looking forward to future games.

U13 BOYS AIMS VOLLEYBALL COMPETITION @ AISM 13 MAY 2024

MATCH REPORT WRITTEN BY: MISS CLAIRE

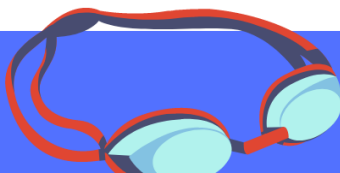

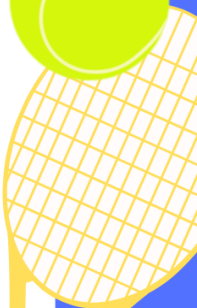

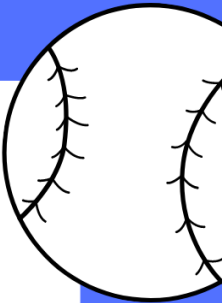

Throughout the term it has been wonderful to witness a handful of eager Year 7 boys working hard as part of the U13 Boys Volleyball team. Despite low numbers, the boys have never given up and have always worked hard to improve and showcase their skills. Students have worked together as a team and shown excellent improvement this season so far.

On Monday 13 May, a small group of boys travelled to AISM to play in the U13 AIMS Volleyball tournament. Although our boys had a slow start due to nerves, their confidence grew each game and they played some very good Volleyball, earning points and cheering each other on.

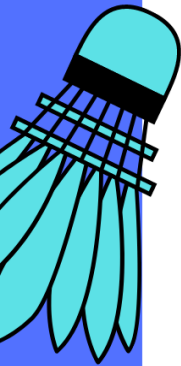

Well done to all the players involved in the tournament and thank you to the coaches and teachers for the support. I look forward to witnessing our U13 Volleyball teams grow and develop in future seasons.

U11 GIRLS AIMS BADMINTON COMPETITION @ SUNWAY 13 MAY 2024

MATCH REPORT WRITTEN BY: ALAINA TAURO 6C

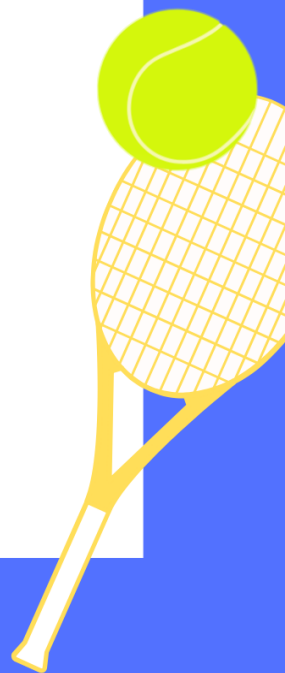

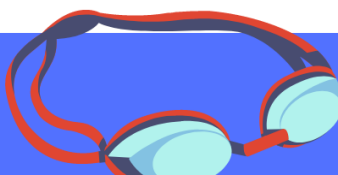

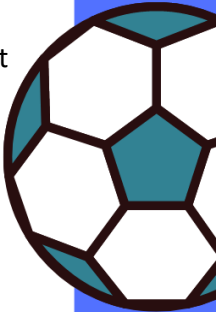

The AIMS U11 Girls Badminton Tournament took place at Sunway International School on May 13, 2024. We faced off against schools from Sunway, Mont Kiara, ELC, and Sri KDU KD. Since it was our first time competing at the AIMS tournament, the match was fantastic.

Warm-up matches were played first, and the event got underway at 2:30 pm. Of the eight players on each team, three played singles while the remaining played doubles. Each school played eight sets of doubles and twelve sets of singles. Our squad showed resilience and excellent sportsmanship throughout this amazing event. Playing singles, I was especially happy as Zoey and I won all four of our matches.

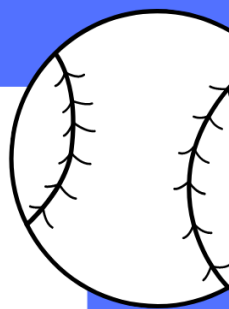

The two hardest opponents were ELC and Mont Kiara, yet we stayed composed and concentrated. Our team's doubles players also shown outstanding abilities and won majority of their matches. When the results were finally announced, SRI KDU Subang had secured the first position. We raised the AIMS badminton trophy, and each player was awarded the gold medal. We would like to thank each and every one of our coaches for their hard work and efforts during our trainings. We appreciate the school for organising these competitions. U11 Girls Badminton squad rocks!!!

13 MAY 2024

U11 BOYS AIMS BADMINTON COMPETITION @ SUNWAY 14 MAY 2024

MATCH REPORT WRITTEN BY: JUNYI YONG 6C

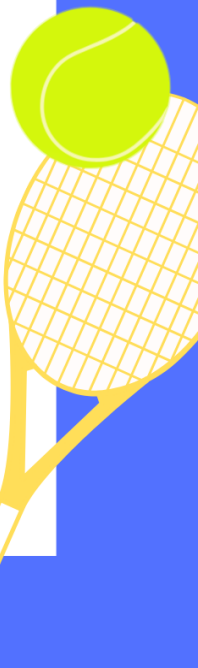

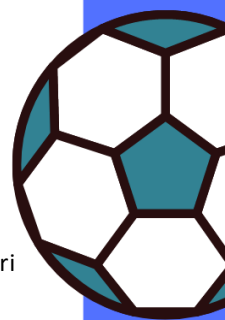

On the 14th of May, the badminton team, which was Kayden wong, Ethan Fleming, me, Aaron, Jia Dong, Ashton, Tom and Advik, left the school at 1:20 pm to Sunway international school. When we arrived there, we took a team photo and started warming up for the games. Our first match was against Sunway and we didn't lose a match against them. After a short break, we faced against Mont Kiera, some of us lost, some of us won. After that, we faced against ELC. ELC was a very hard team to face against, most of us lost against them, but one or two of us won against them.

We were waiting for the 5th match as we didn't play the fourth match, so we practiced with our partners. The last game we faced against was Sri KDU Kota Damansara. Most of us won our games, but me and Aaron lost 22-20. After the matches, we rested and ate some snacks before Sunway announced the winners.

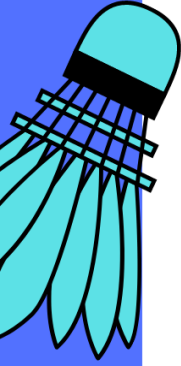

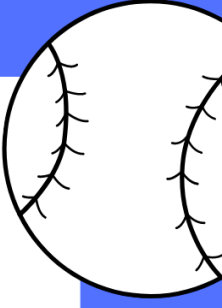

Most of the gold medals were awarded to ELC as they had the most average points. The best medal we got was silver, but we all worked as a team and that is the most important part about badminton. For the overall for all of our players, ELC got first, Sri KDU Subang Jaya received second place and MKIS came in third place.

After the announcement, most of us went with their parents back home, but me and Jia Dong went by bus. The best part in my opinion in the games were when me and Aaron were losing 14-19, but we kept picking ourselves up and tied it 20-20. Sadly we lost at the end 20-22 in duece.

U11 BOYS AIMS BADMINTON COMPETITION @ SUNWAY
14 MAY 2024

PRIMARY FRIENDLY CRICKET FIXTURE VS EPSOM @ EPSOM 15 MAY 2024

MATCH REPORT WRITTEN BY: JERICHO AND RAIF

On Wednesday afternoon at 1pm, the Sri KDU cricket team, which included 8 people - me Advik, John, Ethan J., Ethan T, Elliot, Harry and Ethan R, went to another school by bus with a few teachers. They said it will take 1h and 30m to get there so it would take a while.

When we arrived we got off and put our water bottles at the side and met the coach from the opposing team. Then we got to training and after training we went to get ready for the cricket match. When we got ready me and Harry went up first and I was the one that batted first and I missed the first 2 bowls. Then on the 3rd bowl I hit a 4, then I hit a 1 and Harry hit a 1. It was the end of our turn and the others went.

In the middle of the second turn, we had to go inside for thunder but after waiting a while it was clear, so we went back outside. The score was 151 and we started at 100, and then the other team went on and scored 144. The umpire's (our coach and the other coach) said we won and we were so happy. Then we went to do a group photo. After that half of the people left with their parents but me and a few others, so we went on the bus back to school.

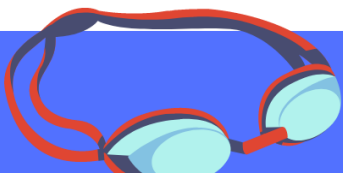

- JERICHO REYES DORMIDO, YEAR 6C

On Wednesday 15th of May, We had our first cricket match which was at Epsom School.

First, we were told the two teams of eight by our coaches. Then we got on our bus, it was 40 minutes drive to their school. After that, we split into our teams and did some drills for example we did bowling and catching and then when everything was set up we flipped a cricket bat to see who would bowl first or bat first. They won it and picked to bowl first. So we were batting. I was the final batter, I got 2 runs in the over with my partner. Then when they had finished, we bowled. When I bowled my over I got 2 wickets!

Although we ended up losing the match, I had a great day out and hopefully soon Epsom will come to Sri KDU for a rematch.

- RAIF JAWAD SIDDIQUE, YEAR 4C
