Thrive at Sri KDU International School Penang

A home away from home, within a safe and connected residential community

At Botanic Villa, students live in a purposefully adapted residential home within Pearl City's gate community, giving them the comfort of a real home, the support of a Boarding community and convenient access to Sri KDU International School (Penang) and the surrounding township.

WELCOME TO OUR RESIDENTIAL BOARDING PROGRAMME

A home away from home, within a safe and connected residential community.

A MESSAGE FROM OUR PRINCIPAL

It is my great pleasure to welcome you to the Sri KDU International School Penang Boarding House, a home away from home where students are supported, inspired and empowered to thrive both academically and personally.

At Sri KDU, we believe that boarding is much more than simply a place to live. It is an enriching experience that nurtures independence, builds resilience and develops the values and life skills essential for success in an ever-changing world. Our boarding house provides a safe, caring and inclusive environment where students feel a strong sense of belonging, form lasting friendships and learn to appreciate the importance of respect, responsibility and community.

We are committed to ensuring that every student receives the guidance, care and encouragement needed to flourish. Through a balanced approach to academic learning, personal development, co-curricular engagement and wellbeing, we aim to create meaningful opportunities for students to discover their strengths, develop their confidence and reach their full potential.

We also recognise the importance of a strong partnership between the school, our boarding team and families. Together, we can provide a supportive foundation that allows every student to feel secure, valued and ready to embrace new challenges and opportunities.

As you explore this prospectus, I hope you gain a clear understanding of the values, experiences and opportunities that define life in our boarding house. We look forward to welcoming your family into the Sri KDU community and being part of your child's journey towards becoming a confident, compassionate and globally minded individual.

Warmest regards,
Mr. Duncan Grice
Campus Principal

BELIEVE

Build Confidence, Resilience & Self-belief

Students are encouraged to step out of their comfort zone, take on responsibility and believe in what they can achieve.

BELONG

COMPREHENSIVE STUDENT SUPPORT

HOLISTIC WELL-BEING

Our dedicated House Parent team works closely with the school to provide comprehensive support addressing academic, emotional, and social development. Services include:

- Individual counselling and guidance
- Wellness programmes and mental health support
- Life skills workshops and leadership training
- Regular health monitoring and medical support

SAFE & NURTURING ENVIRONMENT

We maintain a secure home environment where every student feels valued, supported, and empowered to reach their potential. Our 24/7 supervision ensures safety while promoting age-appropriate independence.

CULTURAL INTEGRATION

Embracing Malaysia's rich multicultural heritage, our programme celebrates diversity through:

- Cultural festivals and celebrations
- International food experiences

ACADEMIC SUPPORT

STRUCTURED STUDY SUPPORT

Academic success remains central to the boarding experience. Our Residential Boarding Programme provides structured time in the evenings for homework and revision, with light supervision to encourage independent learning.

ENRICHMENT ACTIVITIES

Students of Sri KDU Penang are exposed to a diverse range of co-curricular, extra-curricular and recreational activities that encourage creativity, confidence, and connection. Designed to complement students' learning journey, these school-led activities help them discover new interests, sharpen their talents, and build lasting friendships. These may include:

- Visual and performing arts
- Sports and wellness sessions
- Technology-based projects
- Public speaking and language clubs

WEEKEND EXPERIENCES

Weekends at our boarding facility are an opportunity to recharge, discover, and make meaningful connections with the world beyond campus. Our carefully curated experiences blend fun with purpose - from cultural discovery to community involvement. These may include:

- Cultural outings and heritage site visits
- Service learning and community engagement
- Outdoor adventures and recreational trips
- Regional travel opportunities (by invitation or during term breaks)

Activities will vary by term and are designed to complement students' personal growth and global awareness.
