MATCH REPORT

It was a good U13 girls' football match that showcased the talent and sportsmanship of Sri KDU SJ, ELC and IGBIS. All the teams should be proud of their performance, as they demonstrated great potential and a bright future in girls' football.

The players from schools exchanged handshakes and smiles after the match, reflecting the true spirit of the game. The young athletes left the field with their heads held high, knowing that they had given their all in an unforgettable encounter.

Our U13 girls Football team train hard together in the morning squad sessions and the team is growing from strength to strength. It was a wonderful opportunity for the players to gain match experience and showcase their skills. We look forward to their next fixture.
