**AIMS U9 GIRLS BENCHBALL CUP FINAL @ SRI KDU KD
27 NOVEMBER 2023**

MATCH REPORT

On Monday 27 November, 8 very excited Year 4 girls travelled to Sri KDU Kota Damansara for the Benchball Final. The girls have been training very hard during Benchball CCA and were ready to put their skills to the test.

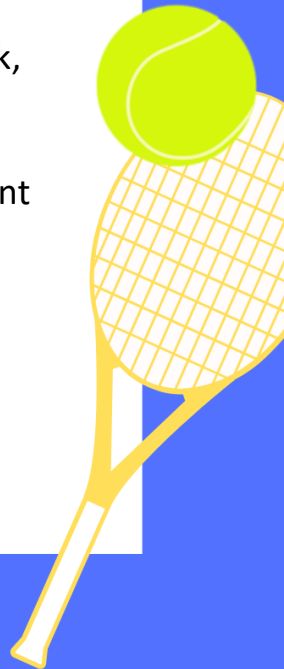

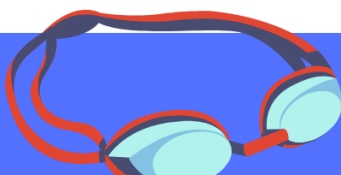

Completing a good warm up, our team was ready to go. They faced some tough competition in the Play Off Games, but never gave up and always fought until the very end whistle. The players showed excellent attacking and defending skills, teamwork, communication, passing and footwork. Due to this, many goals were scored, games were won and after the playoffs, they were in 2nd position.

Sri KDU SJ and ELC made it to the Final. It was a very fast paced game with lots of scoring, defensive blocks, running and long passes. Both teams played exceptionally well. ELC finished in first placed and Sri KDU SJ finished in second place, receiving gold and silver medals respectively.

Well done to all the players for their excellent teamwork, game play, sportsmanship and perseverance.

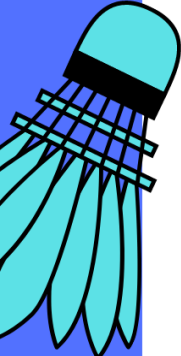

Thank you to all the parents for attending the tournament and for the ongoing support this season.

**U11 GIRLS & BOYS BASKETBALL FRIENDLY @ KH8

MATCH REPORT

On Thursday, 30th November, the U11 girls' basketball team played King Henry International School.

The first round was excellent and we were able to draw the game after a few goals and the result was 4-4. The next round was a close match but we made errors and lost 4-6. It was an excellent contest. Even though we didn't win the game, it was a fantastic learning opportunity and we are looking forward to improve on our mistakes and practice more.

We are deeply grateful to the parents that supported and cheered our game. We felt inspired and encouraged to perform better. A huge thank you to our coaches Mr. Booth and Mr. Bentley for their endless support.

On Thursday the 30th of November we played a basketball friendly against King Henry VIII. We played really well as a team and showed good passing, defending and teamwork.

It was great to see my teammates score lots of goals, Hans was the top scorer. I played well making lots of chances and defending well.

We won the game by 1 point in the last 10 seconds! I had lots of fun and have really enjoyed the whole basketball season.
