

## GIRLS O15 BASKETBALL FRIENDLY @ KLAAS 21 FEBRUARY 2024

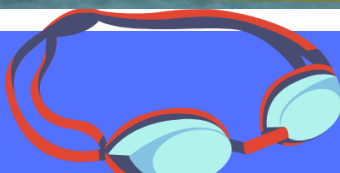

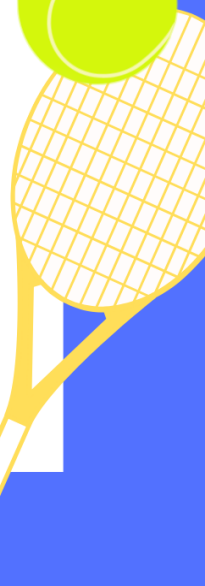

### MATCH REPORT

In an away match against Alice Smith Secondary School, our Over 15 Girls Basketball team, led by Coach Ella from KL Lightning, demonstrated determination and teamwork. Throughout the game, our girls showed resilience, often leading the scoreline in a closely contested match. Coach Ella's guidance was evident in their cohesive performance, reflected in their strategic execution and collective effort on the court.

Despite the challenges posed by the strong opposition, our team maintained unity and purpose, moving the ball effectively and supporting each other consistently. While the final score didn't go our way, the girls left the court with pride, knowing they had given their all.

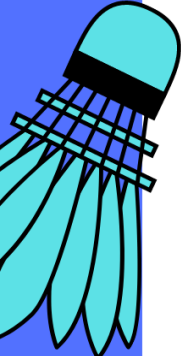

This match demonstrated the improved talent and potential within our team, leaving us eager for future opportunities. We commend our players for their sportsmanship and resilience, and we thank Coach Ella for her invaluable leadership.

22 FEBRUARY 2024**

**MATCH REPORT WRITTEN BY: CASPER SARHANG. YEAR 7C**

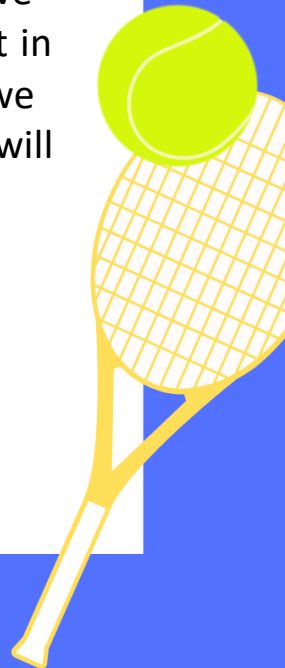

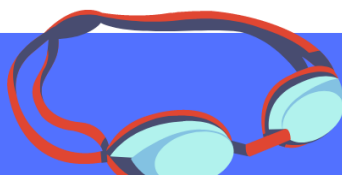

On the Thursday, 22nd of February, Sri KDU Subang Jaya faced off two teams in the AIMS round 1, MKIS TIGERS, and Sri KDU KD SUNBEARS.

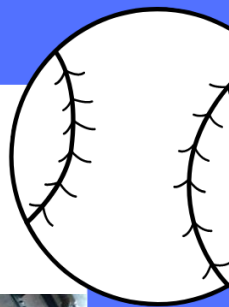

In the first match, we faced MKIS and played wonderfully, we were alert, consistent and overall, we played as a team. MKIS were a good team, and we had only lost to them by a singular point difference, with the final score coming to KDU SJ 12-13 MKIS, but we still had a chance in the next game.

The second and final game we played was against Sri KDU KD. They were an exceptional team and were leading for the majority of the game, but we kept pushing, not letting the point difference get in our way. Although in the end, Sri KDU KD won, we had learnt plenty from our past two games and will make sure to carry it on to the next game.
