MATCH REPORT WRITTEN BY: MISS SALSA

We are thrilled to share the exciting news of our swimmers' outstanding performance at the recent Sportexcel / Milo / NCS / Mas Junior Swimming Circuit Leg 1, held from 1st to 3rd of March at Pusat Akuatik Shah Alam.

Despite facing the challenge of consecutive competitions, our dedicated athletes showcased exceptional determination and skill throughout the weekend. Even though our swimmers were tired from previous events, they still gave it their all in every race, pushing themselves to the max..

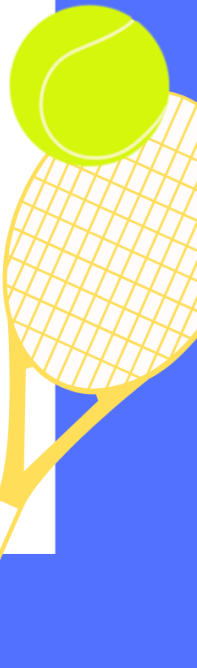

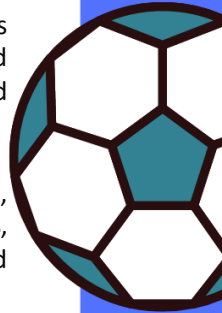

A remarkable achievement for our swimmers was the establishment of numerous new personal best times, demonstrating their continuous improvement and dedication to the sport. Furthermore, some athletes successfully maintained their impressive timings, showcasing consistency and perseverance.

Saturday was a tough day for our swimmers. The events finished until 7:30 pm, making it a really long day. There were also 2-3 hour breaks between events, which was an extra challenge. But our athletes showed strength and stayed focused on their goals.

In conclusion, we want to commend the hard work and dedication of our swimmers, coaches, and supportive parents. Each one of you contributed to the success of our team, making us proud as a school community. Let's continue this momentum and look forward to more achievements in the upcoming competitions.

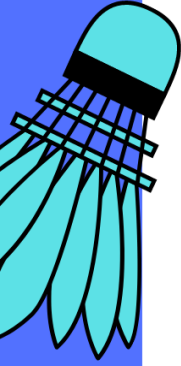

Great job, everyone!

## U11 FOBISIA TENNIS – HUA HIN THAILAND 1-3 MARCH 2024

MATCH REPORT WRITTEN BY: KAYDEN CHONG

It was a pleasure for me to represent our school for the FOBISIA tennis event 2024 even though I was the only one representing our school. On the first day of the FOBISIA tennis, I felt so proud at the Hua Hin Arena and my first game was played on the pink court where all the top world ranking players have played on before. The format of the matches was round robin format so I was in a group of 4 people and I had to play 3 matches in total and I won the 3 matches. With my 3 wins I managed to go to the quarterfinals as I was the group winner.

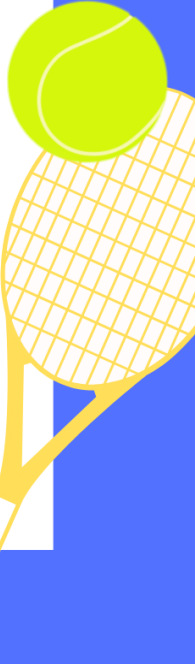

My first match was against a player from Kings College and it was really hot because I was playing in the afternoon. I told over the game with the results of 4-0, 4-1.

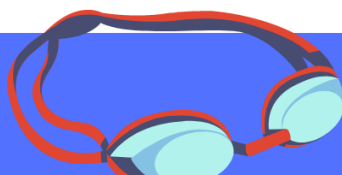

On the same day, I had the second match in the evening, and it was very windy. I played against a player from Patana School Bangkok and the match was very tough. I nearly lost but in the end, after a grueling game, the score was 4-2, 2-4 and I won the match with a super tiebreak with a score of 10-8. After the match I was extremely exhausted but also overjoyed to have won my last two matches.

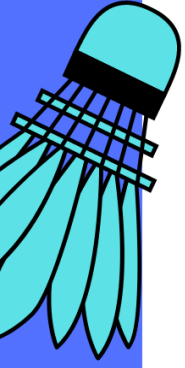

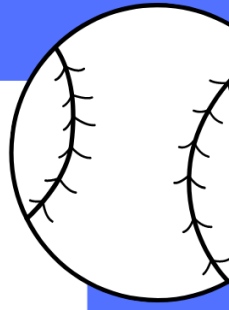

On the second day, I played the final round of the round robin matches and the match was at 1:00pm and the match was played under the burning hot sun but eventually I won the match 4-1 4-0. After a long fought fight I lost the quarterfinal match 4-2, 4-1 against a very consistent player.

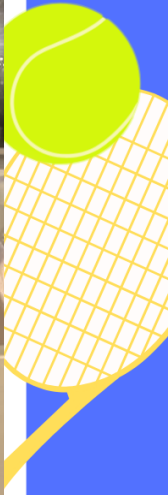

It was a very good experience going to FOBISIA tennis and next year I hope that there will be a team to from our school that will go to FOBISIA tennis to enjoy what I have enjoyed in the last three days. I felt extremely ecstatic after all my 3 wins in a row and at the end of the Fobisia Tennis I was rewarded with Coach's choice of player. I felt very proud of my achievement and appreciate the advice and support from my mother and without her, I couldn't have done this and I won't have been in this amazing competition.

## U11 GIRLS AIMS FOOTBALL CUP FINAL @ SRIKDU SJ 4 MARCH 2024

MATCH REPORT WRITTEN BY: NOVIYA TIRUMARAN

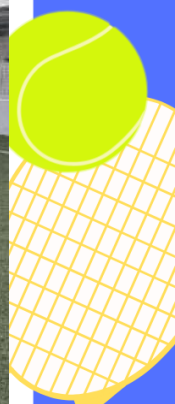

This Monday The Girls U11 Football team took part in the AIMS cup final in the Schools Football Field. We played 3 games against ELC, Sunway and Sri KDU KD. As a team, I believe we played remarkably well, all of our players put a lot of effort into the matches.

My favourite thing about the fixture was that the other schools showed great sportsmanship even though they got a lower place than us. Unfortunately, despite our efforts, we managed to achieve second place.

In our matches we drew against SRI KDU KD (0-0), won against Sunway (1-0) and tied again against ELC (0-0). After the matches, we had to play a penalty shootout against Sri KDU KD. Unfortunately we lost the penalty shootout (3-2).

We played 6 games all in total and won 5 the one game we did lost was in the final 2 - 1 and the 2 goals were the only 2 goals we conceded. We had different opponents from different international schools including: MKIS TIGERS and so on. As a team we played very well, we passed the ball and communicated very well.

My favourite thing on fixture day was every win and goal we celebrated we acted like every game was a final. As a player I achieved on how to do better defending and having fun with my friends!
