

## U15 BOYS & GIRLS BADMINTON FRIENDLY VS HELP @ SRI KDU SJ 24 APRIL 2024

Match report written by: SYD NEY TEH (SISJ Student, 9C)

In the corner of my eye, I saw the people from HELP International school, carrying huge badminton bags. I imagined the huge loads of rackets, shoes, shuttles. Through it all, I went into the MPH and started warming up. In a breeze, 15 minutes had passed and Mr. Shukri, our PE teacher, called everyone together and revealed my doubles partner.

It was Melanie!

To be honest, I've never played doubles with Melanie before. So, it was a bit nerve-racking to play with someone new. As we continued to play, we started to work as a team; Melanie taking the shots at the back whilst I was netting. Everyone in both HELP and Sri KDU was extremely friendly and I made so many new friends as well. Strolling around, watching other people play, I could observe so many things! From agility, to strength, to coordination and so much more.

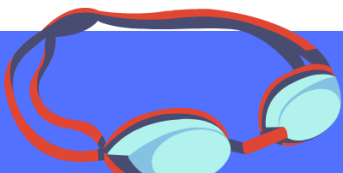

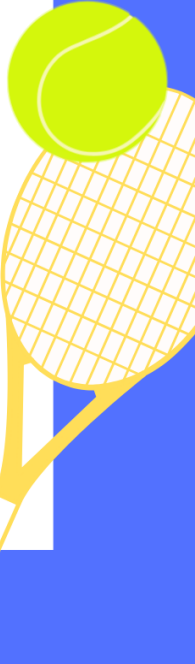

As the sun started to set, the whistle blew and the matches had ended. I lost my energy, but I gained an interest to work harder and become better.

The Under-15 Badminton Team played a match against HELP International School on 24 April 2024. Although we only played 2 matches each, we had fun and learned from our mistakes. HELP had a lot of really good players who played really well, but, I am so pleased to say that we also won quite a lot of matches. We lost a few matches too, though.

Our teacher, Mr. Shukri, helped us a lot in learning new skills in Badminton and guided us through. We showcased our badminton skills in the tournament and met new opponents. I myself played in the Boy's Doubles Seed 1. It was truly a wonderful experience for me, even though the match was only a friendly.
