### PROGRAMME OF STUDY - TERM 1

#### OVERVIEW

- The Year 11 Music course is designed to develop students' skills in performance, composition, and music technology. Throughout Term 1, students will engage in both solo performance and composition using the Sibelius software. They will learn to create, analyze, and refine their musical pieces, culminating in recorded performances and completed compositions.

#### UNIT TOPICS

- Solo Performance
- Ensemble Performance
- Composition

### ONGOING OBJECTIVES

- Develop performance skills: Regular practice and performance opportunities to build technical proficiency and musical expression.
- Enhance compositional techniques: Use Sibelius to create and refine original compositions, focusing on melody development, chord progression, and instrumentation.
- Integrate feedback: Utilize peer and teacher feedback to improve both performance and composition.
- Prepare for assessments: Regularly prepare and present pieces for formative and summative assessments.
